

	TECHNICAL DATA	WNK-28
	WHINK® WASH AWAY®	

DESCRIPTION AND USES

Whink® Wash Away® is specially formulated to remove difficult stains and heavy soiling from delicates to denim. Whink Wash Away is safe for use on all washable, colourfast fabrics and works well in all water temperatures.

Note: Fresh stains are more easily removed. Certain stains caused by bleach damage, dyes and many inks may be impossible to remove.

PERFORMANCE CHARACTERISTICS

- Pretreatment and stain remover
- Removes tough laundry stains like blood, grass, chocolate, coffee and more
- Contains no bleach
- Treat now, wash later
- Biodegradable

PRODUCT

DESCRIPTION	SKU
473 mL Bottle	346844

PRODUCT APPLICATION

DIRECTIONS

Read entire directions and warnings prior to use.

Test fabric for colourfastness.

PRODUCT APPLICATION (cont.)

Apply Whink Wash Away directly onto stained area. Rub into stain. Launder as usual or treat now and wash up to 5 days later.

For stubborn stains, allow Whink Wash Away to soak for at least 15 minutes before washing. If stain persists after washing, repeat application and launder again using the warmest water the fabric allows. Machine drying may cause stains to become permanent. Fresh stains are more easily removed. Certain stains caused by bleach damage, dyes and many inks may be impossible to remove.

For rust stains, use Whink Rust Stain Remover on colourfast fabrics.

DISPOSAL

To dispose of empty containers and unused product, contact your local environmental regulatory agency.

REGULATORY
