

WHITE WASH — ENHANCER —

CREATES A UNIQUE WHITE WASH EFFECT

Varathane® White Wash Wood Stain contains an innovative formula that creates rich colour with one coat coverage and a one hour dry time. No wood conditioner required. This advanced formula guarantees beautiful results. Varathane White Wash Wood Stain can be used on all interior wood projects such as furniture, cabinets, doors, trim, floors and panelling.

- Creates a beautiful and vintage farmhouse look
- Can be used on bare wood or layered over stain colours
- Apply with a cloth or brush for distressed finishes
- Low odour
- Water-based for easy clean-up

CREATES A UNIQUE WHITE WASH EFFECT
