| 946 mL Bottle | 346838 |

PRODUCT APPLICATION

DIRECTIONS

Do not use with other household cleaners. Wear household rubber gloves. Read entire directions and warnings prior to use.

With cap tight, gently shake before use. Pour 236 to 300 mL (8 to 10 oz) of Whink Hair Clog Blaster! slowly down sink or tub drain. Allow to work 15 to 30 minutes (may leave in drain longer or overnight for tough clogs). Flush with hot water. Repeat if necessary.

PRODUCT APPLICATION (cont.)

IMPORTANT: Avoid splashing. Open carefully. Do not squeeze bottle. Clean up spills at once. When using Whink Hair Clog Blaster!, keep hands, face and children away from drains. Do not use plunger during or after use in the event Whink Hair Clog Blaster! may still remain in the drain. Not for use in toilets, garbage disposals, kitchen sinks, or dishwashing units. Do not reuse empty container. Rinse bottle and cap before discarding.

DISPOSAL

To dispose of empty containers and unused product, contact your local environmental regulatory agency.

REGULATORY
