## Tintable Water Based Wood Stain

## PRODUCT AND COLOUR GUIDE

200 Confederation Pkwy., Concord, ON L4K 4T8  
800-387-3625 [rustoleum.ca/varathane](http://rustoleum.ca/varathane)

## Classic Water Based Wood Stain

- Tint to over 50+ colours
- Have product tinted at the paint counter to the colour of your choice
- For best results, use Varathane Classic Water Based Pre-Stain Wood Conditioner first

## Classic Water Based Wood Conditioner

- Use as the first step in any water based stain project on all types of interior wood substrates to prepare for staining
- Promotes even stain and helps control grain raise
- Helps enhance a rich, even colour
