

**KRUD KUTTER® ORIGINAL
CLEANER/DEGREASER & STAIN REMOVER**

DESCRIPTION AND USES

Krud Kutter® Original Cleaner/Degreaser/Stain Remover is a water-based biodegradable, non-toxic cleaner designed to cut grease, oil, grime, tar and wax fast. It is colour fast, fabric safe and leaves no residue.

This concentrated commercial strength formula safely and easily removes food and drink stains, dried latex paint, paint overspray, tape residue, glue and adhesive, acid rain, bird droppings, smoke damage, tree sap, grease & oil, marker & crayon, pet stains, brake dust, fireplace soot, oxidation, lipstick, scuff marks, blood stains, sun tan oil, tar & wax, chewing gum, soap scum mildew stains, shoe polish and more.

Krud Kutter Cleaner/Degreaser & Stain Remover is recommended for exterior siding (wood, vinyl, aluminum), roofing of all types (asphalt shingles, fiberglass shingles, cedar, tile), gutters, wood fences and decks, stucco, brick and cement block, masonry, concrete driveways, walkways and walls, RV's patio furniture and boats.

PRODUCTS

SKU	DESCRIPTION
287785	946 mL Trigger Sprayer
287777	3.78 L Bottle
KK05	18.9 L (5 Gallon) Pail
KK55	208 L (55 Gallon) Drum

PRODUCT APPLICATION

DIRECTIONS

Always test on an inconspicuous area first. Apply directly on surface to be cleaned and allow to penetrate briefly. Wipe off with a clean cloth or towel. For older, more difficult jobs, apply a generous amount of cleaner and allow to stand for a few minutes before wiping dry. For extremely tough jobs such as the removal of old, dried latex paint, scrub with a brush or scouring pad and wipe off with a wet rag. For engine cleaning, use on a cold, dry engine. Do not use on varnished surfaces or leather. When used in a food processing facility, rinse with potable water after use.

Do not mix this product with any other chemicals.

HEAVY CLEANING (full strength) removes dirt, oil, and grease from BBQ grills and ovens, hoods and exhaust fans, tubs, sinks and showers, tools and equipment, machinery, tile and grout, whitewalls, driveways, engines, and floor wax removal.

ALL PURPOSE (355 mL (1½ cups) of concentrate to 3.78 L (1 gallon) of water) cleans and degreases appliances, mini-blinds, canvas, chrome, silver, brass, copper, porcelain, plastic, fiberglass, linoleum, aluminum, vinyl, patio furniture, walls and baseboards, carpets, upholstery, stainless steel and wheels.

REFLECTIVE SURFACES such as computer and TV screens, glass mirrors, windows, display case, crystal, lights and car

PRODUCT APPLICATION (cont.)

finishes, add 44 mL (1½ ounces) of concentrate to 3.78 L (1 gallon) of water.

PRESSURE WASHER APPLICATION

Contains anti-corrosive agents to safeguard pressure washer parts (bleach can erode O-rings). Please be aware that water pressure alone may remove paint or highlight existing discolouration caused by sun exposure.

Rinse surrounding plants with water before and after application. Wet the surface to be cleaned prior to applying the product. Place detergent application siphon tube and screen filter directly into container. Open the meter valve (if applicable) for maximum product flow. For reservoir machines, pour product (full strength) into pressure washer. Spray at low pressure onto a wet surface. On vertical surfaces, always spray from the top down. Allow product to remain on the surface for 3 to 5 minutes to penetrate. Do not allow product to dry on surface. Remove siphon tube from solution and rinse surface with high-pressure spray thoroughly. Flush siphon tube with clean water prior to storage.

CARPET CLEANING AND STAIN REMOVAL

Krud Kutter is safe for all carpet types, including synthetic as well as stain resistant carpets. Test in an inconspicuous area first. The concentrated formula will clean six 2.5m x 4.0m (9' x 12') carpets. Coverage may vary depending on type and condition of carpet. Vacuum the carpet thoroughly. Pre-treat any stubborn spots or stains by using the undiluted concentrate as a stain remover prior to cleaning carpet. Add concentrate to the receiving/waste tank of the machine to reduce buildup. Add 118 mL (4 ounces) of concentrate for each 3.78 L (1 gallon) of water in the dispensing/fill tank. For heavy traffic areas or heavily soiled carpets, add 177 mL (6 ounces) of concentrate for each 3.78 L (1 gallon) of water. Use hot (not boiling) or cold water according to the carpet manufacturer's cleaning directions. Read machine instructions carefully. Do not overfill.

DISPOSAL

To dispose of empty containers and unused product, contact your local environmental regulatory agency.

REGULATORY

MAY IRRITATE EYES. MAY IRRITATE SKIN. Do not get in eyes or on skin or clothing. Do not breathe fumes. Keep out of reach of children. Wear rubber gloves and safety glasses. **FIRST AID TREATMENT:** Contains ethoxylated alcohols and sodium metasilicate. If swallowed, call a Poison Control Centre or doctor immediately. Do not induce vomiting. If in eyes or on skin, rinse well with water.

KEEP OUT OF REACH OF CHILDREN.
